Theme: Transforming Strategies to Revitalize Growth: Forging the Next Phase of Progress for Islamic Finance in Asia

## About the Event

To change the looks available in the Quick Style gallery, use the Change In Pakistan the Islamic Finance industry and Islamic business practices has shown a tremendous growth and maturity over the last 12 years. The industry players are taking great initiatives to further create its awareness under the supervision of State Bank of Pakistan and on the guide lines of Shariah Board. Business leaders are taking initiative and giving direct support through increased usage and trust over the products and services offered. The IBI's assets & liabilities both constitute over 10% of the overall banking industry. The Islamic banking branch network continued to expand and crossed 1400 branches all over Pakistan and given the strong growth momentum and rising acceptability, it is likely to increase its share to 12-15% over the next few years and expected to be double of the current size by 2020. On the other hand the Takaful and Asset management Companies are also showing stable positive growth reaching out to maximize their market share.

To sustain the growth rate of Islamic Finance Industry it is extremely vital to enhance the awareness and increase the knowledge of the masses. The Professionals Network with the support of other stake holders taken up this initiative of Creating Awareness and bridging the gap between the common man and the professionals of Islamic Finance.

**Pakistan's Fourth Islamic Finance Expo & Conference will be held on 22-23 of April 2015 at Hotel Marriott Karachi.** "A national gathering of practitioners, scholars and experts to discuss and share their knowledge, expertise and experience on the principles, instruments and issues related to Islamic finance. **Islamic Finance Expo and Conference 2015** will showcase all the industry players with their products and services to learn more about the offerings for the masses of Pakistan as well as Corporate and business schools and business houses. Various Shariah sessions will be arranged by the Leading Shariah Advisors and Scholars along with the Islamic finance professionals and business practitioners. On the Day 1 of the event a strategic level Conference is also planned, discussing "the Growth of Islamic finance business and takaful industry with its Strategic outlook". Islamic Banks, Takaful, Asset Management Companies, Modarbah and various business houses practicing shariah compliant operations in doing business will also be a part of the Conference. The conference will also include the Strategic Shariah discussion by the leading Scholars and industry experts for the clarification of issues and highlighting the awareness in corporate as well as industry players.

The two days event will be a key initiative in creating the mass awareness of Islamic Finance industry and Islamic business practices in all the levels of masses and will be attended by the banking and corporate professionals, entrepreneurs, industrialists, high net worth individuals, corporate customers, students of various age groups and the most importantly the general public. Two days "Exhibition" and the "Meet The Expert" sessions on day two is free for all visitors from different walks of life.
